

The Presbytery of Scioto Valley 2023 Non-Pastoral Employee Inventory

Name of Church _____ Number of Members _____

From time-to-time pastors, personnel committees and sessions ask the Presbytery Office about pay scales for a variety of employed positions which are held by individuals other than pastors. Positions vary widely among congregations and communities. Since this information has not been collected for several years, it would be beneficial to the presbytery's churches to collect it this year. Since titles and responsibilities may be unique, please select the position title which seems closest or add an entry under other. Thank you for your information.
